Bargain for film investors

A FILM-MAKING company from Kidderminster is appealing for investment in its latest Midland-based thriller.

Counter Intelligence Films, headed by Roger Cottrell, will film the majority of its new movie, Bargain, in Tipton.

It hopes to keep the film as local as possible with investors from the Midlands.

Written and directed by former Kidderminster College lecturer Roger Cottrell and starring Dudley-based former soldier Greg Hobbs, Bargain is based on a classic revenge story with a bloody outcome.

Mr Cottrell said: "It's based on Greg's experiences serving in Bosnia and also mine as a journalist, while the producer is also Bosnian.

"We're looking nationally and internationally for funding and investment. It would be nice to get some local investment to keep the film as close as possible to the Midlands."

The company has already filmed 30 minutes of plot footage which was enough to attract the interest of Film4 and Matt Rutledge, stunt director for Jackie Chan.

The gritty urban thriller tells the story of a Bosnian asylum seeker drawn into Birmingham's dark underworld.

With the help of Film4 and some investment, Counter Intelligence Films hopes to have the film on release within a year.

Football club kicks off big plan

AMBITIOUS plans for a £100,000 revamp of a Wyre Forest football club have been unveiled by its vice-chairman.

Areley Kings FC wants to build a new clubhouse at its ground in Minster Road, Stourport.

It will offer facilities including new changing rooms and a hospitality area. The current changing rooms are in a poor state of repair and do not meet required standards.

Planning permission to replace them with a new building has been granted by Wyre Forest District Council. The number of car parking spaces at the ground will also be increased from 35 to 40, although the overspill car park will remain.

The ground and changing rooms are used every day of the week in the football season, and for training during the evenings and on Saturdays throughout the summer.

Social

Fundraising to pay for the development has now begun and members have organised supermarket bag packs and social events.

They are also hoping to apply for grants from organisations and are working with Plan for Sport to help attract funding.

Club vice-chairman Rob Burford said: "The club has been working on the plans for some time and will, when completed, provide some of the best facilities at a community football club in the area.

"The hard work now begins to get the funds in place to start the project and the club is working in partnership with Plan for Sport to raise funds."

The club was formed in 1974 and has two adult teams and five youth sides ranging from under-eights to under-15s. Mr Burford added: "Our football club has gone from strength to strength over the last few years providing 10 youth teams together with a mini-kickers soccer school and three adult teams."

Talk by animal healer

AN ANIMAL healer is holding a workshop in Chaddesley Corbett to raise money to help fund cancer nurses.

Elizabeth Whiter will talk about how she began animal healing, its methods and effects and her work with vets and rescue centres.

She also plans to give a couple of demonstrations of animal healing at the workshop at the village hall on Tuesday, September 13.

The event is being organised by the Wyre Forest committee of Cancer Research UK and proceeds raised will go to help finance the charity's cancer information nurses.

Elizabeth regularly works with animal sanctuaries and instructs local groups in her methods.

She is author of The Animal Healer, and is an expert on animal behaviour and nutrition.

Tickets for the event which starts at 10am are priced £30, including a light lunch, and are available on 01562 68693.

ZONE BLOW, BUT LEADER IS POSITIVE

By Tim Spiers
tim.spiers@expressandstar.co.uk

THE LEADER of Wyre Forest District Council has insisted Kidderminster's economy continues to "hold its own" despite the closure of three high street shops and the rejection of the town's Enterprise Zone bid.

A proposed EZ site – based at South Kidderminster Business Park – was not in a list of 11 announced by the Government, although the plans could still be independently revived.

And in a week when TJ Hughes closed its doors for the final time, it was announced that fellow town centre stores Next and Dorothy Perkins would also shut next month.

MAJOR

This prompted one trader to label Kidderminster as a ghost town – a suggestion rejected by council leader John Campion.

He pointed to the involvement in Kidderminster of major retailers such as Debenhams and Asda, as well as the success of business support group ReWyre, as evidence of the town's growth.

"Kidderminster has consistently shown that it punches far above its weight," the council leader said.

"Compared to our near neighbours such as Stourbridge, we are defiantly holding our own.

"Wyre Forest District Council and its partners continue to be extremely positive about Kidderminster's potential and we will continue to make economic regeneration a key priority."

The imminent closure of Next and Dorothy Perkins, announced by Arcadia Group which owns both brands, will leave 10 vacant shops in Worcester Street.

Latest figures show that 13 per cent of the town's shops are now empty and Bill Sidhu, who runs the post office in Horsefair and is chairman of the Horsefair Traders Partnership, said help was needed to bring in trade.

"It is becoming a ghost town and it's only going to get worse," he said.

"Shops are closing and businesses are struggling, but the new shops that are opening aren't going to help the independent traders."

Despite the Enterprise Zone rejection, the chairman of Worcestershire Local Enterprise Partnership said the plans could still go ahead.

Peter Pawsey said the decision was disappointing, but added that the LEP would not neglect Kidderminster. "We will be sitting down with Wyre Forest District Council's team to plan the creation of our own Enterprise Zone because many of the business benefits can still be applied, as was confirmed by the Department for Communities and Local Government," he said.

Legal eagle in the beauty stakes

'Legally Blonde' Miss Worcestershire finalist, Carly Davies, from Bewdley

"LEGALLY blonde" Carly Davies is on track to become a lawyer – and is now representing her county in the national final of a beauty contest.

Carly, aged 19, of Anton Close, Bewdley, who is about to start the second year of studying for her law degree at University of Birmingham, has been chosen as Miss Worcestershire Galaxy.

She will compete in the Miss Galaxy UK beauty pageant final in Lancashire in March next year – and if she wins, will go to America.

Dipsy

Carly, who hopes to be a criminal lawyer, said: "There are a lot of stereotype views that girls who enter beauty pageants are a bit dipsy – but I want to prove that you can be smart without being boring."

She is looking for sponsorship to pay her £249 fee for the finals.

Carly is asking any beauty salons or boutiques that would like to get involved to send her an email her at carly_davies@hotmail.co.uk

Vintage rally and sale

A VINTAGE car rally and car boot sale is sure to keep families entertained this bank holiday Monday (August 29).

The event takes place on the sports field at Upper Arley, beginning at 10am.

In previous years the annual rally has raised thousands of pounds for village organisations and charities, as well as Midlands Air Ambulance.

Sandy stroll for the SVR

IT'S ALMOST 100 miles as the seagull flies from the Severn Valley Railway to the nearest "sandy" beach at Barmouth, on the mid-Wales coast.

But for Bank Holiday weekend (August 27-29) the Severn Valley Railway will import tons of sand to have its own beach at Arley as well as donkey rides and Punch and Judy.

Just the ticket for Harriers

KIDDERMINSTER Harriers FC is celebrating selling its 800th season ticket as bosses claimed renewed optimism at the club.

Better crowds are expected at Aggborough this season after last year's turbulent campaign.

Season ticket sales have already eclipsed last year's which only reached around 500. The club almost went into administration in February, but its independent supporters trust raised £300,000.

Two wheels or three for some holiday fun

MEMBERS of the Royal British Legion are gearing up for a bikes and trikes display on bank holiday Monday (August 29).

The Kidderminster branch of the charity, which celebrates its 90th anniversary this year, is hosting the event at Kidderminster College's Market Street car park.

Bewdley Motorcycle Club and Legion members will be on hand to show off some 100 bikes and trikes, with all funds raised on the day going straight to the charity.

Tombola, refreshments and the branch's new 2012 badges will be on offer and prospective new members have the opportunity to join. The event takes place from 10am onwards.

We can raise cash for the castle, says trust

MEMBERS of the Hartlebury Castle Preservation Trust who need to find £25,000 by November to save the historic building are confident they can raise the crucial funds in time.

Following a "constructive" meeting last Monday (August 15) members discussed further ways in which the cash could be raised. If they are going to buy the castle from the Church of England they must first gather £25,000 in the next three months.

A decision will then be made and if successful, trustees must submit a more detailed application for final approval.

Two weeks ago members lodged a £2.5million bid to the Heritage Lottery Fund in a bid to secure the bulk of money needed to purchase the castle and its grounds. Church officials gave the trust extra time but are due to put the castle on the market in April.

Focused

Alison Brimelow, chairwoman of Hartlebury Castle Preservation Trust, said money had already been secured through donations and charity events.

"The meeting went really well and we are very much focused on getting ready for the response from the Lottery Fund," she said.

"We are keen to get the ball moving even quicker to increase the trust from a small local group to something much larger that we hope could gain charitable status. We have already raised £50,000, much of this over the past year alone, which certainly shows our capabilities."

The trust plans to turn the castle into an education centre.

Toy store to open with guest

A SPECIAL guest will be at the official opening of a new toy store in Kidderminster on Saturday.

Smyths Toys Superstore, at Unit One in the Crossley Retail Park, will officially open its doors at 9am.

Sylvanian Families' Sorrel Cottontail will be making a special guest appearance on the day.

The store caters for children of all ages with a big range of toys, video games and nursery equipment.

Store manager Steven Harris said: "We are really excited to be opening a new Smyths Toys Superstore right in the heart of Kidderminster.

"We have everything you need to keep children entertained as they start a new year of school fun."

Brothers cleared in trial

TWO businessmen from Blakedown who run a chain of corner shops have been cleared of sex offences.

Brothers Balbir, aged 44, and Kulwant Gora, 57, both of Broome Lane, were cleared after a three-week jury trial at Worcester Crown Court.

Not guilty verdicts were also returned on their nephew Gurpreet Gora, aged 28, of Vicarage Road, Wollaston, who works for the Gora enterprise which trades under the name of Fletchers in Kidderminster, Wollaston and Pedmore in Stourbridge, and Brockmoor, Brierley Hill. The alleged offences referred to 2008 and 2009.

Too big to get into the swing

THREE older children have been rescued by firefighters after getting stuck in youngsters' play swings.

Their problem sparked a warning from firefighters in Worcestershire.

The first incident happened when a 12-year-old got stuck in a toddler's seat in Baxter Park, Kidderminster, shortly after 3.30pm last Thursday.

Firefighters used specialised cutting equipment to release the 12-year-old from the swing.

Later, crews in Malvern performed a similar operation when a 14-year-old got stuck.

And on Monday, a 16-year-old was trapped in a child's swing in Bromyard, Herefordshire.

Station commander Grant Wills said: "If you are too big, there's a very real chance that you could get stuck."

Hundreds up for a happy hoe-down

Crowds join in line dancing during the event

Rob Jones and his dog Lady at the music festival

COUNTRY music fans descended on Stourport in their hundreds for a two-day festival celebrating the sounds, styles and dances of the USA.

Visitors packed out Riverside Meadows for the annual Country and Western Festival which has become one of the biggest events in the town's calendar since its launch in 2007.

A stage was set up for performances by five bands over the course of the two days, including a set by Halesowen duo Back to Back.

A large part of the field was left open so fans could line dance to the music being played and stalls were set up offering goods and food.

There was also a fast draw shoot-out and line dancing demonstrations.

More than 500 visitors attended over the two days.

Don't miss out on chance to vote

RESIDENTS are being urged to register to vote by completing the registration form that will be delivered to every home from the end of August.

Any person over 18 can register to vote.

Ian Miller, electoral registration officer for Wyre Forest District Council said: "By registering as soon as you receive your form you ensure you have your right to vote and help the council save money, as it means it does not have to send reminders.

"Registering to vote is quick and easy. There are pre-printed details of people currently registered for the property.

"You can simply complete, sign and post the form back to us.

Agencies

"If there are no changes to the elector details, you have the option to register by internet, freephone and also text."

The register will be published on December 1 and will be available at libraries, the Civic Centre in Stourport-on-Severn and the Worcestershire Hub in Kidderminster.

It is also used by credit reference agencies and residents may be refused credit if they are not included. There is also a fine of £1,000 should the form not be returned.

Details on the council website www.wyreforestdc.gov.uk under Elections Information. Alternatively, call 01562 732928, or visit the Worcestershire Hub at Kidderminster, Stourport-on-Severn or Bewdley.

Plans put in for £2.6m hotel at historic mill

PLANS to convert an historic weaving mill in Kidderminster into a £2.6million Premier Inn have been submitted for final approval.

The hotel chain already has permission to create the 56-bedroom development at the Grade-II listed Slingfield Mill, at Weavers Wharf, Kidderminster.

But the firm needs separate approval to make changes inside and outside the building, which dates back to 1870.

Designs have now been submitted to Wyre Forest District Council by architects Allison Pike for consideration by officers who will make a delegated decision.

The document reveals the entrance to the new hotel will be on the north side of the building, facing a car park, with a lobby and storage on the ground floor.

Stairs will rise past the first floor to bedrooms on the second and third floors.

The hotel reception, bar and restaurant will be built on the fourth floor.

Fabric

According to the design document no alterations to the fabric of the building will be made.

A new storage door and glazed screen above will be built into the west facade, according to the details of the proposals put forward.

Night access to the hotel will be by controlled entry and a porter will be on site throughout the evening. Lighting will be installed in the car parking areas.

All bedrooms will have a key card system which will direct power to the room when occupied and switch it off when people leave.

The hotel will share the five-storey site with an existing Debenhams store which opened in 2009 and occupied the ground and first-floors of the building.

County is given £3m net boost

WORCESTERSHIRE is to receive more than £3million towards its high-speed broadband plan.

Funding allocations from Culture Secretary Jeremy Hunt saw the county get £3,350,000.

Worcestershire County Council has been working to develop its plan for months.

It sees high-speed broadband as essential to economic development and tackling social and economic disadvantage, especially in the more rural areas.

But delivering such a service to most of the county will also need the public and private sectors to commit millions of pounds.

The allocation of £3,350,000 is based on the number of premises in each county eligible for state aid. These refer to areas where it is uneconomical for the private sector to invest alone.

County council leader Councillor Adrian Hardman said: "This is a very useful start."

Train sparks start fires

SPARKS from passing trains caused two fires to break out on embankments alongside the Severn Valley Railway line last week.

The first started near the Bewdley tunnel, covering a 10ft square of grassland.

Then a 20ft square patch of land went up in flames near Droppings Well Farm off Stourport Road.

Lifting the shutter on meerkats

Indie gets his life in focus at the park

WHEN a camera was dropped into the meerkat exhibit at West Midland Safari Park, it wasn't long before one rather inquisitive member of the gang came along to investigate.

Whilst the others remained at a distance, the young adult meerkat nicknamed Indie by staff took the lead and cautiously approached the foreign object.

Meerkats are known for their skittish behaviour and although Indie appeared to be a little suspicious at first, he then delighted staff by peering into the camera lens.

It soon became clear from his antics that he could see his own reflection.

He tried everything to make contact with his new buddy, before finally accepting that the whole thing was a mystery.

So great has been the interest in the new meerkat exhibit at the Bewdley park that a new mini-site has now opened for fans of the adventurous little animals.

It is based upon the new Meerkat Mayhem exhibit which opened this year as part of a £1million investment in new attractions that has been launched during 2011.

The link is: http://www.wmsp.co.uk/compareourmeerkats

During the whole of August Meerkat Mayhem, which is located in the African Village, is open until 8pm as the park hosts its Summer Nights season.

Beauty spot courts fight to be renewed

CAMPAIGNERS who ripped down fences at a beauty spot are taking their fight back to court after they were ordered to pay thousands of pounds in damages and costs.

The Hands Off Hartlebury Common group has vowed to continue battling plans to put cattle on site and cut back heathland.

About 1,000 yards of fencing, which had been put up by Worcestershire County Council on the land near Stourport to keep the animals in, were torn down by members of the group. They were ordered to pay £2,855 damages and £3,237 costs at Kidderminster County Court last month.

But group leader Steve McCarron of Hartlebury said there would be an appeal against the court order.

Documents were being submitted ahead of an appeal hearing at Worcester Crown Court.

He said: "The council are claiming ownership of the land when they cannot prove it. It is public property.

"We believe the common is being wrecked and we will carry on our campaign."

Leader Steve McCarron

Wrecked

The council says the fences and cattle are to control heathland and overgrown vegetation.

An injunction was granted that prevents Mr McCarron; Anthony Barnett of Market Drayton, Shropshire, and Vanessa Wright, of Hartlebury, from interfering with fencing and other structures on Hartlebury Common, or interfering with council workers.

Council countryside service manager Andy Maginnis said: "We're disappointed that we were forced to take action to protect this site against this vandalism.

"This work is supported by the overwhelming majority of local people."

Coach is honoured

Cricket legend Michael Holding, left, presents the award to Gavin Haynes

KIDDERMINSTER cricket coach Gavin Haynes has been recognised for his outstanding services to grassroots cricket.

Haynes was presented with both county and regional coaching certificates by legendary West Indies fast bowler Michael Holding, who is part of the Sky Sports ECB coach education programme.

Fifteen coaches met Holding on the pitch during the lunch break on day two of the third Test at Edgbaston. Haynes became the cricket development officer for Dudley borough on a part-time basis in 2001 and has led the Sportlink scheme for 10 years, co-ordinating cricket in 39 primary schools.

He has been instrumental in developing district cricket programmes for clubs.

Haynes was appointed head coach for the Worcestershire Young Cricketers in 2010, helping formulate a five-year development plan.

Lovers of music are set to score

WYRE FOREST music lovers have a chance to get their hands on old vocal scores as part of a library move.

Worcestershire County Council's Libraries and Learning Service is shifting to The Hive.

So the City Library is currently streamlining its collection of scores prior to relocation.

Those being sold are of low value and in too poor a condition to stand up to repeated use from library borrowers.

But they are sure to be of interest to music lovers.

Duplicates

The majority of the stock being sold has already been replaced by new copies.

Now the library is getting round to disposing of the duplicates.

It is contacting local choirs to see if they are interested in purchasing stock.

Scores will be offered on a first come, first served basis and will cost £5 or £10 depending on the size of the set.

Contact Lena Jones or Nicki Hitchcock on 01905 822 722.

Artist Bruce is an almighty hit

Bruce Airhead performs his giant balloon act at Kidderminster Arts Festival

BALLOON comedy act Bruce Airhead was among the performers entertaining crowds as part of this year's Kidderminster Arts Festival.

Shoppers gathered around to watch the one man entertainer who performed with a giant green balloon outside the town hall.

The annual arts festival, which attracts thousands of visitors, runs until August 27.

It features a range of art workshops, performances, exhibitions, street entertainment and art demonstrations.

Among this week's activities is a drawing workshop at the Corn Exchange.

Pensioner badly hurt in fall

A PENSIONER suffered broken ribs and internal injuries after he slipped and fell from a ladder while trimming branches in a neighbour's garden.

The 81-year-old Stourport man, named locally as Ray Griffiths, was being treated at Birmingham's Queen Elizabeth Hospital after falling several feet, breaking five ribs and injuring his head, shoulder and pelvis.

It is believed he may have to undergo an operation to remove his spleen and is being treated for bleeding on the brain, but was otherwise today said to be "doing well".

Paramedics were called to Sunnyside Gardens, Kidderminster, last week. Neighbours said he had been cutting down branches from an adjoining garden.

"He's very active – he has done a lot of work around the street. It was very distressing to see him suddenly lying on the ground," said one neighbour, who did not wish to be named.

No stalling as new market starts well

BEWDLEY'S new monthly local produce market has made a flying start – with traders looking forward to the next one.

The first market was held on August 7 and the next is on Sunday, September 4.

The market is being organised and run through Bewdley Development Trust. Its managing director, Peter Miller, said: "We had a very good range of stalls and a number of traders said that they had virtually sold out of their stock.

"We have already had a number of enquiries from other local people who would like to take a stall.

"On behalf of all the volunteers who help make this event happen, we would like to thank the people of Bewdley and the stallholders who all helped make the first market such a success."

Honey

Stalls on the first market ranged from naturally reared beef, lamb and pork, through to home made cakes and vegetarian food.

There were also stalls with freshly ground coffee together with an impressive range of locally grown produce, plus honey, jams and preserves.

The market is held on the first Sunday of every month in centre of the town in Load Street. Bewdley Development Trust is also looking for more volunteers to help set up the stalls and put up the promotional material in and around the town. Anyone interested in getting involved or being a stallholder should call Peter Miller on 01299 405516.

Shoppers take in the stalls at the new monthly produce market

Hospital is set to get 65 new car park spots

MORE THAN 60 extra car parking spaces are to be created at Kidderminster General Hospital under new plans to cut traffic problems on streets around the site.

Proposals have been submitted to Wyre Forest District Council to create the spaces around the hospital site. The plans are expected to be discussed later in the year.

Under the scheme part of an old pathology block would be demolished to make room for around 12 of the planned 65 new spaces. Other places would be created on site between the hospital's D, F and B blocks.

There would also be spaces created near to the main entrance if the scheme is approved.

It is hoped the additional parking will help reduce long-term problems on streets around the hospital which are clogged with cars during the day.

Councillor Tracey Onslow said: "Creation of more parking spaces on the hospital site is good news and much-needed in this area.

"Streets around the hospital, especially Crescent Road and Hume Street, have a real problem with staff and hospital users parking outside their homes.

"In Crescent Road it is particularly bad as there are double yellow lines along one side so sometimes residents are unable to park near their own homes," she added.

Merging

"Hopefully these extra spaces will alleviate some of the problems.

"People using the hospital have to be encouraged to use these spaces on the hospital site."

Work is already taking place to create a new £5million medical centre on the hospital site to accommodate the merging of the Aylmer Lodge and Northumberland House GP surgeries.

Around 132 spaces are being created, along with other parking schemes, for use by the development.

It is likely some of the 65 spaces would also be used by medical centre users as well.

Consultation on the spaces has already been launched and is due to end on September 8.

Mother's theft greed

A PREGNANT mother from Kidderminster went shoplifting twice in neighbouring towns within six months, a court heard.

When 26-year-old Zoe French was detained by store detectives, she confessed to police: "I was greedy."

French, of Usmere Road, Broadwaters, pleaded guilty to theft at Worcester Crown Court last week. She was given an 18-month community order and ordered to pay £425 costs.

Prosecutor Nicholas Berry said she was first arrested on January 21 when she was seen taking nappies and milk powder without paying from the Superdrug store in Redditch.

When she was searched, her bag contained £99.50 worth of children's clothing taken from Next.

On July 3, she was stopped outside the Matalan store at Merry Hill, Brierley Hill, with seven pairs of jeans worth £79.

Adam Western, defending, said mother-of-two French was married, had a job and had been observing a 10-hour curfew.

Judge Robert Juckes QC said he had reached a point where many thought she should go to custody.

But he bore in mind that she had a young family and that all the stolen items had been recovered.

Thirteen homes on way

A HOMES builder is launching seven new developments – including one in Stourport.

Taylor Wimpey North Midlands is constructing hundreds of new homes at the seven venues in Worcestershire, Shropshire, Staffordshire, Warwickshire and Derbyshire.

The firm is building 13 homes at Lock Keeper's Reach, Stourport.

Carl Cooke, sales and marketing director, said: "We've enjoyed a fantastic start to 2011.

"We're delighted to announce plans for seven new Taylor Wimpey developments in the coming months."

Launch date for the Lock Keeper's Reach development has yet to be confirmed.

Details on 01543 496700 or visit the website at www.taylorwimpey.co.uk.

Pool players in marathon

POOL players in Kidderminster chalked up £500 for charity at a marathon event.

The cash will go to the British Red Cross to buy a well in an African village.

About 50 people turned out to the nine-hour "poolathon" at the Cue and Brew in Prospect Hill.

They donated £500 as mini-competitions were staged across three tables in the premises.

Co-manager Emma Lewis said: "Everybody played their part and enjoyed themselves."

Try out beer and brass in the secret garden

BRASS bands and real ale are the twin attractions of an annual festival which returns next month.

Beer and Brass is back at Cleobury Mortimer on Saturday, September 3.

The second annual event has been organised by Hobsons Brewery and Cleobury Mortimer Concert Brass as part of the Cleobury Country Fringe festival.

Nick Davis, of Hobsons, said: "This year the beers are taking on a theme of Work and Play with a wide selection of real ales on stillage including Town Crier, Landlord, Hotel Porter, Belly Dancer and many more."

The event runs from 11am to 11pm and is hosted by a "secret garden" accessed from the churchyard.

There will also be food and refreshment stalls. For more information contact Hobsons Brewery 01299 270837 or visit www.hobsons-brewery.co.uk

Cousins

CELEBRATING 26 YEARS OF FURNITURE RETAILING

For 26 years, Cousins has been one of the leading family owned furniture retailers of its kind in the UK...

and now employs more than 140 people. During that time, the Company has continued to expand both in terms of the number of stores and the choice available.

Set up by three cousins, Robert, Edward and William, the Company now employs a second generation of the family at its three stores in Birmingham/Solihull, Dudley and Manchester, providing continuity for customers and a wealth of product knowledge.

Standing from left to right, Thomas and Matthew Shotton, Richard Foster. Sitting Edward, Robert and John Shotton.

Robert and Edward remain very actively involved in the business, with Robert as the company Chairman. They have recently strengthened the management team to ensure the continued future success of the company.

John Shotton, Robert's eldest son, who has worked at Cousins since 1994, is now Managing Director. John has enjoyed an extensive retailing career and 17 years ago, joined Cousins.

Matt Shotton, Robert's youngest son, started at Cousins in 1997 and has worked in most areas of the business He is Retail Director with full responsibility for bed buying - and overall control of the Company's three large retail Stores.

Richard Foster is Operations Director and has been with Cousins for 15 years. He initially started as a bedding consultant when Cousins opened their second store in Dudley in 1996 and has been involved in most areas of the business.

Edward's son **Thomas Shotton**, helps to manage the Dudley store along with **Roger Horner**, who joined Cousins from the opening of the Dudley store in 1996.

The original store and warehouse in Birmingham opened in 1985. **Pat Shiels** has recently been appointed Store Manager of the Birmingham store and brings a wealth of retail experience to the company.

In 1996, the Company expanded further, creating a landmark store in Dudley. This expansion continued with the opening of a third flagship store on Regent Road in Salford, Manchester in 2005. The store, was opened by stars of Coronation Street and has been widely acclaimed as England's finest furniture store. It is managed by **David Fisher**, who has extensive experience of furniture retailing.

The Company is now celebrating its' 26 years in furniture retailing and despite the difficult economic climate, Managing Director John Shotton is looking forward with confidence.

He said "In these days of large chains, we are still very much a family business - and our success over previous years has been built on offering high quality personal service to our customers and the widest selection of designer living room, dining room, bedroom, kitchen and flooring ranges from leading manufacturers - at prices that customers can afford.

The last 26 years have been a great period for the Company and the whole family are justifiably proud of how far we have come," he said. "We have a fantastic team of staff, some of whom have been here since we opened our doors in 1985. We couldn't have become such a success without their continual hard work and dedication.

The staff at our stores in Birmingham, Dudley and Manchester are looking forward to showing you the latest designs from our suppliers and helping us to celebrate our 26th anniversary while looking forward to another 26 years.

Meet the new boss. Same as the old boss

NICE to be back! Did you miss me? What do you mean, no?

Nice to step away from the wacky world of the Wyre wireless for a week (and a bit) but it feels great to be having a chinwag with you all again. Been hearing some of the stuff you've been up to whilst I've been away...some of it unbroadcastable!

Speaking of broadcasts, we may as well accept that Christmas is coming...because the X Factor is back on the telly.

So far, the new judges have done a great job at impersonating some of the old ones (Tulisa is like Cheryl Cole without the 'pets' and Gary Barlow is the nicest Mr Nasty I've ever seen).

But Mister Television is really spoiling us because we have Celebrity Big Brother on as well. The biggest Saturday night decision from now on is which would we rather watch: Some regular people making a fool of themselves on TV...or Jedward?

With August nearly over we've got time for a few more summer activities before the nights draw in.

The Manor House at Lickhill is holding its summer fete at 2pm on Saturday. There's a bouncy castle, games and a prize draw, plus entertainment from Elvis & The Rock and Roll Dancers. Admission is £1. For more information call 01299 827789.

The Stourport Horticultural Society annual show 2011 will be held at the Riverside Meadows on August Bank Holiday Sunday (August 28 and 29). The show is held in the marquee next to the river and features displays of flowers, vegetables, domestic items and handicrafts. There will also be a raffle and refreshments.

The Breakfast Show resumes as per every weekday morning from 6am.

Speak to you then, team!

WEATHER UPDATE

Damp, blustery days appear to be the keynote as we head towards the weekend. Showers are more than likely along with possible longer periods of rain and it will be quite windy.

The unsettled conditions are likely to remain throughout the weekend and into next week.

But there should also be occasional dry spells although temperatures are expected to be a little lower than normal for the time of year.

The stage is set for a Grand season of top entertainment

THE GRAND Theatre's autumn season offers musicals, comedy, powerful drama and even a little risque entertainment.

Highlights will include a star-studded Calendar Girls with some familiar actresses getting Grand exposure, the stage version of hit children's book Mr Stink by Little Britain's David Walliams and lots of 1960s nostalgia in Keeler, Dreamboats And Petticoats and The Sensational 60s Experience.

The new season gets under way on September 10 with the return of that down-to-earth diva from Yorkshire and former Loose Women presenter Jane McDonald in concert for one-night only. Expect plenty of glamour and giggles.

Comedy

There will be more glamour the following night, Sepember 11, but of an adults' only nature at An Evening of Burlesque, featuring some of London's top cabaret artists. It promises to be all about tease, not sleaze.

The first five-night show of the season is Rhinestone Mondays, a country music comedy set at an English line-dancing club which features a top notch cast including EastEnders and Extras star Shaun Williamson, ex-New Seekers singer Lyn Paul, and reunites former Steps singers Faye Tozer and Ian H Watkins. It's on from September 13 to 17.

West End drama arrives at the theatre on October 4 with the acclaimed new production of First World War trenches story Journey's End.

David Walliams' Mr Stink bills itself as the first 'scratch and sniff' family comedy musical. The show is on from October 19 to 23.

The biggest show of the season – at least until the panto opens – is Calendar Girls, a poignant comedy based on fact about the WI ladies who posed nude for a calendar.

Wartime drama in Journey's End

The biggest show of the season? Calendar Girls opens on October 24

Line-dancing comedy with Rhinestone Mondays from September 13

The impressive cast includes Oxo mum and Loose Women panellist Lynda Bellingham, Rock Follies and Celebrity Big Brother star Rula Lenska, ex-Hi De Hi stalwart Ruth Madoc, Howards' Way star Jan Harvey, Danish dancer Camilla Dallerup of Strictly Come Dancing fame and Brookside actress Jennifer Ellison. The male contingent are Bruno Langley and Joe McGann. The call for bigger buns will be heard at the Grand from October 24 to 29.

Another stalwart of Hi De Hi, Su Pollard, will play the boozy villainess Miss Hannigan in the classic musical Annie, leading a cast of 40. The orphan will be leaving the Hard Knock Life for Easy Street at Daddy Warbucks' mansion, but not without a few mishaps along the way, from November 1 to 5.

The Profumo Affair, which rocked the British establishment in 1963, will be remembered in Keeler from November 14 to 19. Paul Nicholas will play Stephen Ward, who caused a sex scandal after he introduced showgirl Keeler (played by Emmerdale's Alice Coultard) to the Secretary of State for War, John Profumo. She was also seeing a Russian naval attache at the Soviets' London embassy at the same time as her affair with the married Conservative Government minister.

A star-studded cast will be brought to the city for the latest revival of Alan Ayckbourn's classic comedy Season's Greetings, from November 21 to 26.

EastEnders Glynis Barber and Ricky Groves will be joined by familiar TV drama faces Christopher Timothy (still fondly remembered as the vet star of All Creatures Great and Small), Denis Lill, Matthew Bose and Jenny Funnell.

It's the early 1960s, the time of such pop hits as Shaking All Over, Runaround Sue and C'mon Everybody, in hit West End show Dreamboats And Petticoats, the rock 'n' roll party show written by Birds Of A Feather and Goodnight Sweetheart scripters Marks and Gran.

Highlights

It is staged at the Grand from November 28 to December 3. Rock 'n' roll fans could also note that Buddy Vs The Killer, a tribute to Buddy Holly and Jerry Lee Lewis, is held at the Lichfield Street venue September 22 to 24.

Cultural highlights will include a special production for schools of Shakespeare's Macbeth (Sept 28, matinees), acrobatic Chinese performers in Cirque de Ciel's Shanghi (Sept 30 to Oct 1), and the Ukrainian National Opera of Kharhiv with Puccini's Madama Butterfly (Oct 17) and Verdi's La Traviata (Oct 18).

Major amateur productions include South Staffs Musical Comedy Company's Guys And Dolls from October 11 to 15 and Bilston Operatic's A Christmas Carol, November 8 to 12.

One-nighters include afternoon nostalgia show Roll Out The Barrel, featuring Terry Bradford and Susie Arvesen (Sept 21); Bilston District Gospel Choir and Voices of Honour feature in Miraculous, a Christian play (Sept 29); The Sensational 60s Experience with The Tremeloes, Herman's Hermits, The Union Gap and The Dreamers (Oct30); The Glenn Miller Orchestra Swing Into Christmas (Nov 27); and Cornish comic Jethro (Dec 19). The panto, Snow White and the Seven Dwarfs, featuring Linda Lusardi, Sam Kane, The Grumbleweeds and Niki Evans, begins its 74 performances on December 10.

As for those looking ahead to 2012, two of the top shows will be West End musical Sister Act featuring Cynthia Erivo, Denise Black and Michael Starke (February 7-18) and Birds Of A Feather. The latter show, reuniting stars of the Essex girls TV sit-com Pauline Quirke, Linda Robson and Lesley Joseph, looks set to be a sell-out success when it opens on March 19. For tickets, contact the box office at www.grandtheatre.co.uk or call 01902 429212.

THE ZOMBIES – IN CONVERSATION

Vintage TV, 6pm

The Zombies were formed 50 years ago, so how fitting to get to spend a special hour in the fine company of the boys from St Albans as they take us back to the heady days of Zombiedom. In this fascinating interview with Mike Read, The Zombies talk about their early influences when students at St Albans Boys' Grammar School, to being propelled into the limelight after winning a beat-group competition sponsored by a London newspaper. That's when they were signed to Decca and out popped their first hit, 'She's Not There'. The rest, as they say, is history – and you'll hear it all first-hand only on Vintage TV.

Hyundai wipes drivers' blues with new fuel-sipping model

Low emissions and excellent fuel economy are a bonus for thrifty motorists

FOLLOWING on from the successful i10 Blue launched at the beginning of the year, Hyundai has added another sub-100g/km CO2 model to its range – the i20 Blue.

With emissions of 98g/km, it is the lowest emitting vehicle in Hyundai UK's line-up.

The i20 Blue is based on the current i20 Comfort trim level, mated to the 1.4 CRDi 90 PS engine, and is priced at £13,195 on-the-road.

To achieve the CO2 figures, the i20 Blue has the following Blue Drive technologies: Intelligent Stop & Go (ISG), low rolling resistance tyres, rear suspension under cover and rear-wheel deflector. With these, the i20 Blue achieves a 12 per cent reduction in emissions (compared to the current 1.4 CRDi 90PS Style i20 model) from 111g/km to 98g/km.

Drivers of the i20 Blue won't need to make regular visits to a fuel station. The 1.4 CRDi Euro V compliant four-cylinder engine achieves 76.4mpg combined – the kind of cheap-to-run credentials that are important as the cost of motoring continues to rise. This is a 14 per cent improvement on a combined cycle compared to the i20 1.4 CRDi 90PS Style model.

To put these figures into perspective, it would cost approximately £63 to fill up the i20 Blue with diesel for a range of 755 miles. As well as excellent fuel economy, the i20 Blue also gains exemption from VED and the London Congestion Charge as it emits less than 100g/km.

Mirrors

The i20 Blue's standard equipment includes 15-inch alloy wheels, Bluetooth connectivity with voice recognition, electric heated and folding door mirrors, electric front and rear windows, steering wheel audio controls, USB and aux connections, air conditioning and remote central locking.

Sitting alongside the i10 Blue, the new i20 Blue model demonstrates Hyundai's continuous commitment to increasing the efficiency of both its petrol and diesel engines.

On-sale now, and like all Hyundai passenger cars, the Hyundai i20 Blue comes with a Five Year Triple Care package, which includes a five-year, unlimited mileage, manufacturer backed warranty, five years of roadside assistance and five years of annual vehicle health checks.

Comfortable away win for Stour

Himbleton (2pts) 122, Stourport (24pts) 123-5. Stourport won by five wickets

STOURPORT enjoyed a comfortable 24-point victory over Himbleton but still trail second-placed Alvechurch and Hopwood by 48 points.

An excellent bowling partnership between Craig Siwicki (6-57) and Adam Selleck (4-56) helped to skittle Himbleton for 122 in the 31st over.

A knock of 24 from Stephen Yarsley gave Stourport a steady start before Andrew Siwicki blasted 47 to give Stourport a five-wicket victory in the 20th over.

Stourport now look forward to the bank holiday weekend as they travel to Lye on Saturday and entertain Harborne on Monday.

Oldswinford (5pts) 225-6, Stourport (24pts) 229-4. Stourport won by six wickets

Stourport seconds enjoyed a win as they beat league leaders Oldswinford. Batting first, Oldswinford were restricted to 225-6 as Mark Guest took 5-48 from 17 overs. In reply, Phil Williams guided Stourport home with a brilliant 106 not out to give Stourport victory with five overs to spare.

Local duo net historic doubles win

THE Kidderminster Tennis Club men's doubles open has been won by a home pairing for the first time in its history.

Since the competition was established four years ago, its visitors have always triumphed. Now Kidderminster's Brian Holyman and Alvin 'Woody' Burgess have ended the home club hoodoo.

They beat another Kidderminster pairing, club president Peter Young and Carl Ross, in the final at Baxter Gardens.

Tournament secretary Michael Bradley was pleased with the size of the entry.

"We were lucky with the weather and had a good day," he said. "We are looking to expand the doubles open next year, perhaps with a different format."

Junior Saturday morning coaching sessions with Tony Wright continue on August 27 and September 3 and then resume on October 1.

GUINAN BRACE BRINGS SECOND AWAY VICTORY

Cambridge United 1 Kidderminster Harriers 2

KIDDERMINSTER'S assistant manager Gary Whild guarded against complacency after Steve Guinan's first-half brace earned Harriers a second successive away win in the Blue Square Premier.

Cambridge dominated for long spells in both halves but found Harriers in no mood to concede as Guinan's first goals for the club lifted Harriers to sixth place in the table.

"When you look at the two fixtures away from home, six points is a fantastic return," said Whild. "When you come to a place like this you are not going to dominate possession and in the second half, defensively, we were fantastic.

"We showed a lot of stuff that perhaps we didn't have last season in terms of us having some very strong characters.

"At times we were under pressure but the lads have done fantastically in keeping the ball out of our net. We showed a lot of resilience."

Cambridge started brightly with a high tempo, Luke Berry and Adam Marriott firing efforts wide of the visitors goal.

Luke Jones and Lee Vaughan made timely blocks to stop the home side from gaining an advantage as Harriers found it difficult not only to get any rhythm, but also keeping possession against a lively and energetic Cambridge.

Danny Lewis kept his side in the game, pulling off fine saves to keep out strikes from Marriott and Ashley Carew.

On 41 minutes Harriers produced their first chance and made the home side pay with clinical finishing.

Exposed

Marc Williams found himself surrounded by four Cambridge players but somehow squeezed the ball into Kyle Storer's path. The midfielder played the ball into the home penalty area and Steve Guinan coolly slotted the ball past the exposed Danny Naisbitt.

The home side were stunned and within a minute Guinan could have extended the lead but he was denied by Naisbitt and then saw his rebound shot deflected for a corner off Josh Coulson. And he didn't have to wait long to make amends.

Callum Gittings delivered the resulting corner into the six yard box and Guinan was left unchallenged to head the ball home from close range to leave the home crowd silent.

In the second period Cambridge pushed forward time and again only to find the Harriers defence in resilient mood, substitute Michael Gash netted within a minute of replacing Adam Marriott but despite plenty of possession they could not add to that tally, suffering their first defeat of the campaign.

Cambridge: Naisbitt, Roberts, McAuley (Kinniburgh 76), Coulson, Wylde, Carew, Berry, Shaw, Dunk (Platt 73), Marriott (Gash 56), Charles. Subs not used : Jarvis, Brown.

Kidderminster: Lewis, Vaughan, Williams (Mike), Jones, Marshall, Gittings (Medley 75), Storer, Vincent, Wright (Matt 64), Williams (Marc) (Phelan 75), Guinan. Subs not used: Sharpe, Lyness.

International honours for Samurai's star

SAMURAI Judo Club's Sarah Biles has been selected to represent Great Britain at the Junior European Championships in Belgium next month.

Only 12 players from all over Britain made the team – and just two from the Midlands, the other from Birmingham's Lordswood club.

Biles is only the second player ever from Worcestershire to be chosen, following Kate Walker several years ago.

Getting to the Junior Europeans (under-20 years) confirms Biles as the second most successful Worcestershire judo player of all time, behind Walker. Her international results this year alone include medals in Belgium, Holland, Spain and Lithuania.

Contest

Biles is also a successful kata player, a senior referee and senior table official, a former British Young Official of the Year, and assists with coaching juniors at the club.

Meanwhile on the contest side, Biles has just come back from the German Open where she defeated a very good German player in the first round before eventually losing to the Spanish number one in the second round.

Samurai Judo Club have some new kata stars after the partnership of Frankie Marston and Brendan Crummy took gold at the Clive Taylor Memorial Kata Championships. Brothers Arran and Rory Gulliver added the silver in the same category, while Brendan, partnering Rob Alloway in the seniors, took silver in the same kata.

Friendly win for Carolians

KIDDERMINSTER Carolians warmed up for their Midlands Two West (South) rugby campaign with a Marlpool Lane friendly against Willenhall and ran out 25-3 winners.

On Saturday they entertain Pershore in the North Mids Shield and host Cheltenham North on September 10 in the league.

Academy players get England trials

HARRIERS' Football Academy manager Jerry Gill got a boost for his set-up with the news that two of his young players have secured England trials.

Declan Kirby and Dan Taylor link up with 70 other students chosen nationally to spend five days in schoolboy trials with the English Schools' Football Association under-18s group. They will take part in a special programme of training and inter-group fixtures with the aim of impressing even further.

Gill said: "This is great news for us so early on in the season to have two of our young lads recognised in this way.

"I am sure both will equip themselves well and I've no doubt they will enjoy the opportunity of being coached in such an environment."

The Harriers Academy, launched this summer in partnership with Stourbridge College, is providing apprenticeships to young people both locally and further afield.

On the pitch, the new season began with a 1-0 win over Bromsgrove Sporting, while educational courses begin in earnest from September.

Moseley defeat leaves Victoria with genuine relegation fears

Moseley (24pts) 205-9, Kidderminster Victoria (6pts) 195. Moseley won by 10 runs

KIDDERMINSTER Victoria are deep in a relegation battle after falling just short of victory against Moseley. Moseley won the toss and went in to bat, but didn't start well when Alex Stanley was bowled by Gareth Williams for a duck.

Moseley lost a second wicket with only 15 runs to their name, ***writes Brian Gittins.*** Williams struck again, with Neil Pinner catching Abdul Hafeez for six.

Ralph, in for Kimberlin, took a third wicket by bowling Jack Cornick (24). Aadam Din was bowled by Williams for 23 and he took his fourth wicket when Usman Shabir was caught and bowled for 18.

Moseley were under pressure at 111-5 in the 29th over with only Huw Jones offering major resistance.

Williams took his fifth wicket with the score on 135. Jason Robinson was out lbw for 10.

Boundary

Jones had batted well, but went after scoring 45, being bowled by Mark Mansell.

Williams took a boundary catch off Wright's bowling to dismiss Tom Watt for 16. Usman Awan was run out on 34. The innings ended at 205 after 55 overs. Nick Chase was six not out and Fred Eburah nought not out.

After 20 overs, Kidderminster's were on 106-3. The opening partnership lasted four balls before Andy Kimberlin was caught by Awan bowled Eburah for a duck.

There was a stand of 79 between Craig Wood and Neil Pinner. Wood had scored 46 when he was stumped by Robinson. The third wicket fell on 92. Pinner, on 36, was out lbw to Chase. James Ralph was on 6 when he was joined by Zac Turley in the 18th over. The pair put on 40 until Ralph, on 35, was bowled by Eburah.

Wickets then fell on 146, 151 twice and 157. Chris Pyke was lbw by Eburah for 2, Jonathan Wright went to a boundary catch by Din. Wright scored 1. Turley batted for 70 minutes, scoring 27, but was bowled by Awan. On 151, two wickets had fallen, then the 8th wicket fell at 157. Mark Mansell was bowled by Awan for 1.

With 15 overs remaining, 48 runs were needed with two wickets in hand. Richard Kimberlin scored 14 before being caught by Tom Watt.

Edwards was joined by the Gareth Williams. The former performed well but went for 26 to another top boundary catch by Eburah, giving Awan his 4th wicket. Williams was 1 not out.

Battling Bewdley in a chase

Oldswinford (6pts) 176, Bewdley (24pts) 177-7. Bewdley won by three wickets

BEWDLEY'S win took them to within three points of Redditch in the battle to stay in Division One of the Worcestershire County League.

Oldswinford elected to bat and Ewan Peer (3-20) and Robert Crane soon reduced them to 53-4. A partnership between Robinson and Attwood was broken by Jack Mills, and the innings then declined to 176 all out.

David Jones (2-45) and Simon Mauger (3-16) trapped Attwood lbw and then polished off the tail.

Bewdley were able to reach the required total but not without some alarm. Ben Jones Jnr batted freely for 48 and Gareth Lewis made a swift 21, but at 120-7 victory seemed a long way off. Mauger and Mills knocked off the last 57 to see Bewdley home with an over to spare. Mauger finished with 59 not out.

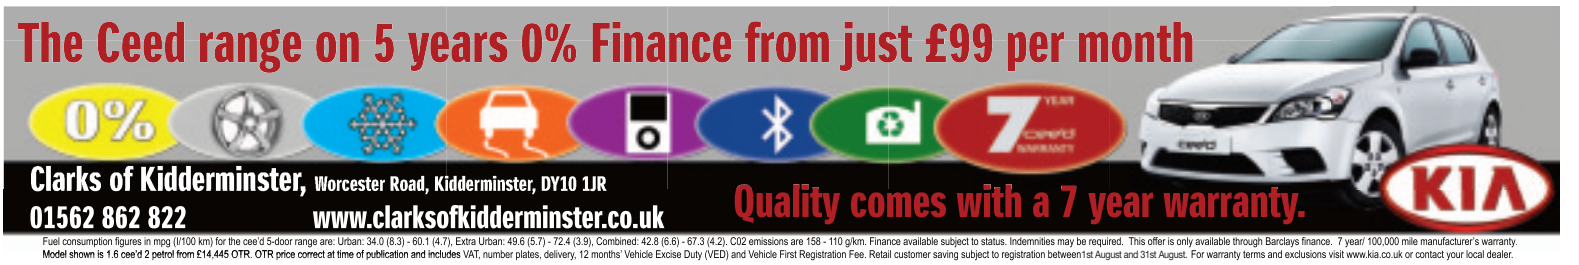

Colwall (15pts) 255-5, Bewdley (8pts) 234-7. Draw

Bewdley seconds had to settle for a losing draw in a high-scoring encounter at Colwall.

The home side have recently been much improved and got off to a flying start with the bat – Cooke making 64 against a weakened bowling line-up.

Bewdley were relatively happy going into the final 15 overs before a late onslaught from Dave Drury (53 no) and John Pykett (36 no) took the score to 255 for 5.

Bewdley were in early trouble, reduced to 34-3 before a fine partnership of 146 between Matt Cowdery (99) and Stephen Molyneux (67) gave the visitors hope. Cowdery fell agonisingly short of his century and with him went Bewdley's hopes of chasing down the target. They eventually closed on 234-7.

The ContinU Trust

Whether it be GCSE grades, A level academic excellence or Vocational qualification success, students attending ContinU Trust partner institutions across the Wyre Forest and Hagley have broken exam records year after year. The ContinU Trust is recognised nationally as a unique partnership whose members deliver the highest educational standards. This has been the reason why fewer and fewer Wyre Forest and Hagley students consider studying out of the area.

The Trust is a charitable company and includes the seven Secondary Schools and Kidderminster College and has additional Trustees from the Universities of Birmingham and Wolverhampton and Barnardo's. It allows every learner to benefit from the strengths of every partner, their specialisms, leadership and shared resources. "When they enrol with one partner they enjoy the benefits of all" says Stourport High School Headteacher, Liz Quinn. This has led to year on year improvements in course pass rates, progression to Russell Group universities and Apprenticeship placements with employers. Not surprisingly, applications post 16 have risen dramatically especially as ContinU welcomes learners from across Worcestershire and Dudley.

Rob Chadwick, Director of ContinU says "Our schools and the college have a shared commitment to all young people in our area. Together we are driving up standards and developing greater opportunities for students" .

The "Opening Doors" Programme is an excellent example of such collaboration, providing a Trust wide enrichment offer. It delivers extra-curricular experiences for all students including gifted and talented, alongside community and voluntary sector opportunities. This year has seen students debating with Members of Parliament, visiting the United Nations in Geneva, attending specialist university preparation sessions and engaging in a range of community schemes and projects. Over 1500 students have participated since January and no similar menu of opportunities is available from providers outside of the Trust.

This newspaper spread provides a flavour of the work of our schools, the college and the students of whom we are immensely proud. The ContinU Trust Board would like to congratulate staff, parents and the young people of all our member institutions on their successes this summer. We would also like to thank the Universities of Wolverhampton and Birmingham and the Barnardo's Charity who are key Trust members supporting our learners.

There has never been a better time to enrol with a ContinU Trust partner and we are delighted to invite students and parents to our Open Evenings scheduled for this term. A full list of our school and college partners with dates are provided on the back page.

have had an exclusive tour of the London 2012 Olympic Park.

The Stourport High School and VIth Form Centre won a special competition as part of International Inspiration, London 2012's international legacy programme.

They were one of three winning schools that sent in the best examples of how International Inspiration had inspired them, and included photos of school exchange visits, participating in sport and play, including delegations from partner countries.

Students were able to see first-hand the work that is progressing on London's Olympic Park, where the Olympic and Paralympic Games will be hosted in 2012.

As part of the park tour they saw the major venues being constructed including the Olympic Stadium, Aquatics Centre, Velodrome and Handball Arena, and learnt about the environmental and community programmes running on the Olympic Park.

Liz Quinn, headteacher, said: 'International Inspiration has really engendered the Olympic values of mutual respect and friendship.

'It has given us a fantastic opportunity to get involved with our partner school in India, and to learn about Indian sport and culture. Some of our students are even learning Punjabi via Skype now.'

Seb Coe, chairman of the London Organising Committee of the Olympic and Paralympic Games (LOCOG), said:'Our vision is to use the power of the Games to inspire lasting change and we took a very clear promise to Singapore to encourage the youth of the world to choose sport.'

'The work The Stourport High School and VIth Form Centre has been doing on International Inspiration and their link with International Inspiration countries is another key step towards delivering that promise.

'I am delighted that they won the opportunity to visit the London 2012 Olympic Park. I hope it has inspired them even more to continue their great work on International Inspiration.'

ASHIA HANSEN CHALLENGES PUPILS TO CREATE A SPORTS RACE FOR THE NEXT OLYMPICS

190 pupils from King Charles 1 Cluster Schools attended a Sports Challenge with Ashia Hanson MBE, Olympic and Commonwealth Athlete at the Warriors Sixways Rugby Club.

Pupils from five local primary schools, Chaddesley Comberton, Heronswood, Offmore and St Georges were challenged to create a sports race for the next Olympics, using their creativity and imagination, pupils were tasked to design the race and produce a set of rules. Finally, they had to present their ideas on stage in front of all the other pupils. The day was facilitated by Jayne Greene and Isabel Clarke from IJM Media based in Bewdley.

Each school took centre stage to pitch their idea to the Olympic Committee at the end of the day. The winning team, Spectacular Sportsmen. from Comberton Primary came up with the idea of creating a race based on the current heptathlon but containing lots of different fun elements.

During the day pupils took part in a Question and Answer session with Ashia and two Professional Rugby players from Worcester Warriors, Miles Benjamin and Tom Arscott.

Eileen Stead, the Business & Enterprise Project Manager at King Charles I School said 'this is a fantastic opportunity for year 6 pupils from each school to work together to enable a smoother transition into King Charles I School in September and to develop practical skills through the experience of business and enterprise'

HAGLEY CATHOLIC HIGH SCHOOL

SHARING CULTURE AND THE ARTS

During the last week of summer term all of the students at Hagley Catholic High School were fortunate to participate in our third annual Arts Week. Every year group had an opportunity to participate in a range of activities that were led by expert practitioners and members of our own staff. The workshops ranged from candle making, stage combat, African drumming, Bhangra dancing, stage make-up, graffiti art, jewellery making through to poetry and were all well received by the students. In addition all of the students enjoyed a wonderful stage production - 'Broadway versus The West End' which allowed approximately 100 of the students performed a number of famous pieces from the world of musical theatre including 'Billy Elliott, 'Guys and Dolls', 'Chicago' , 'Wicked' , 'Hairspray' and 'Oliver' .

The activities were not solely held within the school and all of the students engaged with at least one school trip. Undoubtedly, the highlight was the Year 10 trip to study the way art is used to worship God in the major World Religions. To realise this aim our students visited a Mosque, a Sikh Gurdwara and a Hindu Temple. Our brothers and sisters of other faiths were exceptionally welcoming and helped our students to understand a great deal more about the importance of art in worship. The generosity of our hosts is demonstrated by the wonderful lunch that all of our Year 10 students enjoyed at the Gurdwara as highlighted in the photograph.

The school would like to thank all of the contributors who helped make the week so successful.

BAXTER Business and Enterprise COLLEGE

OVER THE PAST YEAR, WITH FUNDING FROM CREATIVE PARTNERSHIPS, Baxter College have established their own school television channel, 'Baxter TV' with the aim of enhancing learning and communication through the use of this new technology in a purposeful, creative and educational way. This has caused much interest and excitement amongst the school community.

Classes of Year 7 and Year 10 students have worked with TV professionals and a web designer to create a promotional film for new students and their parents commissioned by the Senior Leadership Team and an online platform for their broadcast across the school. Staff were trained to create simple 'vodcasts', and they in turn cascaded to their learning to colleagues.

Year 7 students spent a day on a 'behind the scenes' tour of BBC Midlands as part of their research into how a TV station works.

'Baxter TV' is now sustainable so that it is ongoing, regardless of changes in students and staff. The School aims for the television channel to broadcast programmes which help to provide a unifying link and engage Baxter College with the wider community.

"I really enjoyed using new technology in a fun way. I think that the Year 6's will really enjoy our vodcasts as they give a really good preview of what the school, staff and students are like. It would have been really useful for me last year...the leaflet just wasn't the same!" Imogen, Year 7.

FOOD FOR THOUGHT.

Did you know…? Many children across ContinU Trust schools are eligible for free school meals, but aren't taking up the opportunity.

But did you also know…? For every child that receives a free school meal, the school now receives additional funds from the government to be spent on further resources and opportunities for your child. It is called the Pupil Premium and is a means of providing schools with much needed income at a time of financial cuts elsewhere.

Who is eligible…? If you are in receipt of income support or other means tested benefits then your child may be entitled to a free school meal and you can help your school improve teaching and learning through the Pupil Premium fund. The free meals are completely discreet, so your child won't stand out from any other.
